A remote so smart, it's incredibly simple.

Pointing: Just point and click. A smart remote for your Smart TV.

Wheel: Scroll up and down, zoom in & out and scroll through channels with a scroll wheel.

Draw: Draw to change channels & access your favourites menu.

Voice: Speak, instead of typing.²

The LG Smart TV⁴ is where you can view all of your entertainment content in one place. Watch your smartphone on your TV, view movies, photos and music files stored on your PC and access an endless array of online content all through your LG Smart TV. LG's Magic Remote uses intuitive control such as point, draw and speak; to view and share your entertainment. It's easy to see why LG Smart TV is Smart. Inspired by you.

Record Live TV to your LG Smart TV⁵

Recording: Record TV to a connected USB hard drive or inbuilt memory.

Live Playback: Play, Pause & Rewind live TV.

Scheduled Recording: Schedule a recording so you won't miss your favourite shows.

LG's best selection of Smart TV entertainment in one place.

The premium content card provides the best online content available on the LG Smart TV, customised for the Australian market in one easy to find location.
