Overview

LG SIGNATURE G7 OLED TV delivers an ultra-premium Picture-on-Glass design, perfect-black OLED screen and a vivid, life-like image comprising over 1 billion colours, enhanced through Active HDR with Dolby Vision™ for dynamic, deeper contrast and perfectly balanced with rich Dolby Atmos® sound to create an extraordinary TV experience.

OLED Display

LG OLED TV's perfect-black screens and self-lighting pixels provide optimum picture performance with over 1 billion vividly explosive colours.

Dolby Atmos® Sound

Seamlessly integrated within this model's elegant stand, the 60W Dolby Atmos® audio system delivers a rich and atmospheric sound.

Active HDR - with Dolby Vision™

Active HDR dynamically enhances the contrast detail of all content scene-by-scene and incorporates industry-leading Dolby Vision™ HDR technology. Combined with stunning colours, LG OLED TVs deliver a truly cinematic viewing experience.

Smart TV*

LG Smart TV webOS delivers an incredible range of streamed content including Netflix, Stan, Amazon Prime Video and YouTube. Used in conjunction with the LG Magic Remote, it's easy to point, click and select your favourite shows.

* Internet connection & streaming services membership (where applicable) required. Internet usage charges and conditions apply. Freeview Plus uses HbbTV technology which combines broadcast and broadband streaming. Contents and features will vary from time to time without notice. webOS internet browser supports HTML5, VP9 and HEVC.
