14 Place Anti-fingerprint Stainless Dishwasher with Direct Drive Motor

When it's all possible, life's good.

Features

- ✓ 14 Place Setting
- ✓ Anti-fingerprint Stainless Finish
- ✓ Smart Diagnosis[™] 2.0
- ✓ Direct Drive Motor
- ✓ 3rd Rack for Cutlery
- ✓ Slim Control Panel
- ✓ Low Noise 45dB
- ✓ Hybrid Drying System
- 🗸 Aqua Stop

Inverter Direct Drive Motor

LG's Inverter Direct Drive Motor - allows efficient transfer of energy. It optimises the spray intensity for the selected cycle.

Size - it is smaller than a conventional pump system, which increases the tub size.

Greater Durability - and that's why you get LG's 10 Year Parts Warranty.

Silence On™ (Low Noise)

LG's Silence On[™] Dishwashers feature the Direct Drive Motor. This innovation ensures that your dishwasher is the last thing you hear in your kitchen. Experience quietness in dishwashing.

Smart Diagnosis[™] 2.0

LG's Smart Diagnosis[™] 2.0 allows the Dishwasher to talk for itself. If an error occurs, a phone call can be made to LG Customer Information Centre and the machine will emit a 6 second signal. This allows LG to diagnose the issue resulting in less wasted time and less inconvenience.

]**80**℃

Extra Hot

LG's Extra Hot option increases the Rinse temperature in the dishwasher up to 80°c. This enables the dishwasher to kill harmful bacteria such as Salmonella.
