## **MS42960BS**

42L Smart Inverter Microwave Oven with Sensor Cook and Touch Control

# Powerful & Precise Control

Available September 2016

## **Features**

- ✓ Precise Control
- ✓ Even Defrosting
- ✓ Anti-Bacterial Coating
- ✓ Stable Turntable
- ✓ 42L Overall Volume
- ✓ 1200W Inverter Microwave
- ✓ 360mm Turntable
- ✓ Sensor Cook
- ✓ 28 Auto Cook Menus
- ✓ Quick Start
- ✓ Child Lock

## Precise Control

Unlike LG conventional microwave ovens that use an on/off power delivery method, LG inverter technology provides the flexibility to select the power level at the start of the cooking process and varies the power delivered during cooking.

## **Even Defrosting**

The inverter technology in the LG NeoChef<sup>™</sup> enables more precise temperature control to help defrost foods and avoid overcooked and unthawed areas.

## Anti-Bacterial Coating

The Anti-Bacterial EasyClean<sup>™</sup> interior coating makes cleaning simple and convenient. Just a few wipes are all it takes to clean the microwave interior. The coating eliminates 99.99%<sup>1</sup> of harmful bacteria from the surface.

## Stable Turntable

The hexagonal ring stabilises the turntable with six support points, which helps prevent off-centre items from tipping and spilling during cooking.
