#### Overview

LG UJ65 Smart UHD/4K TVs provide access to an incredible range of HDR streamed content via webOS 3.5, including Netflix, Stan and Amazon Prime Video.

They also feature the exclusive LG Magic Remote, making it easy to point, click and select your favourite shows.

# 4K UHD TV

LG UHD 4K offers a breathtaking viewing experience with incredibly crisp imaging, even at close distances.

#### Smart Remote

With the LG Magic Remote, it's easy to point, click and select your favourite shows.

#### HDR10 - High Dynamic Range

HDR content displays enhanced graduation of contrast in the light and dark areas of an image, while colours gain an extra level of realism.

## Smart TV\*

LG Smart TV webOS delivers an incredible range of streamed content including Netflix, Stan, Amazon Prime Video and YouTube. Used in conjunction with the LG Magic Remote, it's easy to point, click and select your favourite shows.

\* Internet connection & streaming services membership (where applicable) required. Internet usage charges and conditions apply. Freeview Plus uses HbbTV technology which combines broadcast and broadband streaming. Contents and features will vary from time to time without notice. webOS internet browser supports HTML5, VP9 and HEVC.
