LG 5 Year Warranty Promotion:

Free 5 Year Warranty on Selected Laundry Products

Purchase a Qualifying Product (as listed in our terms) in the Territory within the Promotional Period and sign up within 90 days of purchase on <https://www.lg.com/uk/5yearwarranty> to receive a 5 year parts and labour warranty on your Qualifying Product (rather than the standard 2 years). Internet access is required. Terms and conditions apply, see below for further details (especially on the Promotion Periods).

Terms and Conditions

All laundry products sold by LG Electronics U.K. Ltd ("LG") come with a standard free 2 year warranty and this covers parts and labour.

Subject to you registering your Qualifying Product in accordance with these terms and conditions, the Promotion extends the standard warranty cover by a further 3 years, so you receive a 5 year warranty in total running from the **date of purchase**. Please note, this offer does not apply to products purchased for commercial use.

Notwithstanding the duration, this 5 year warranty is also subject to the warranty conditions listed in the standard warranty literature that came with your Qualifying Product.

This 5 year warranty is distinct from (and in addition to) a 10 year (or 20 year for select models), parts only (not labour) warranty that LG gives on the Direct Drive Motor, which runs from the date of purchase.

To activate the promotional warranty please register your appliance at www.lg.com/uk/support/registration-login within 90 days of purchase.

These promotional warranty conditions are additional to, and complement the standard warranty conditions as supplied with the product.
